

We need you

The West Sahara Community Association is looking for neighbors like you to volunteer a couple hours a month to be on the Architectural Review Committee (ARC).

ARC meetings are the first Tuesday of each month. Meetings start at 5:00pm. Meetings are in the Benchmark Properties' offices located at 8685 W. Sahara #200, Las Vegas, NV 89117

It's a fun way to see what new plans are in the works as well as giving back to our community. **No previous experience required.** All ARC committee members are appointed by the board of directors.
